Technical Information

Country of Manufacture	USA
EUTR/ European Timber Regulation	Full documented evidence of legality of timber

Grading: Rustic

Rustic wall cladding can contain varying size live and filled dead knots. Colour variation, sapwood, heartwood and end-checks (filled splits).

Panneau Wall Cladding is chosen for its natural beauty, therefore grading criteria is always an approximation as every piece of timber is different. If further selection is needed, please allow for extra material upon installation.

Installation Methods

Panneau Wall Cladding should be installed by experienced flooring installers who have read and understood the appropriate installation guides at www.v4woodflooring.co.uk

Fully Bonded	Yes*
--------------	------
